

TESTIMONIALS

"My name is Albert Martinez. I attended the 7th Annual Spirits of Mexico Tequila Tasting in 2009 this past weekend in San Diego. I must say that it was a well planned and executed event that showcased the Spirits of Mexico in a classy manner. I will definitely be promoting your event come the following year". **Albert Martinez, Chief Tequila Knowledge Harvester, Tequilera Enterprise, LLC**

"Your event...was an amazing show and I was very impressed. I have a tequila collection of about 400 bottles. If you are ever in Encinitas or even nearby, please stop in". **David Yaldo, Guest**

"I can tell you from experience that when there are no comments on the attention to details (regarding the Spirits of Mexico Agave Tasting Competition), you've done your job! You made things look e-a-s-y, and that's very difficult to do". **Michael Morales, the country's only tequila journalist, blogging and reporting exclusively on the trends, producers, insiders, and hottest brands in the tequila industry today**

"Thank you for the unforgettable opportunity at Spirits of Mexico; we can't even put a price tag on that kind of exposure". **Kathleen Tucker, Holiday Wine Cellar**

“YOU are now the biggest Tequila Show in USA!!!!!!!!!!!!!!..Congratulations”! *Juan Francisco Collado, Casa 1921 Tequila*
